Professor Friis of Christiania has ever been a true helper. Amongst numerous kindly helpers we tender thanks to Dr. Retzius, Stockholm; Professor Gitté, Charlevé; the Rev. Henry Jebb, of Firbeck Hall; Mr. Quigstad, of Troms; Mr. Nordlander; Mr. O. P. Petersson, Hernösand; Mr. Lindholm; Dr. B. Köhler; Baron Nordenskjöld; and the Rev. Walter H. James, rector of Fleet.

We regret that we cannot do more than acknowledge the courtesy of the late Dr. Greguss (Buda Pest), whose lamented death removed a scholar and friend to Englishmen.

If this collection adds a mite to the knowledge of man, our labours will not have been in vain.*
